

Travel USA Visitor Profile

Caves, Lakes & Corvettes Region

2018/2019

Introduction

- Longwoods International began tracking American travelers in 1985, and has conducted large-scale syndicated visitor research quarterly since 1990.
- In 2007, our proprietary Longwoods Travel USA® program was migrated from mail to online, with the benefits of rapid turnaround, enhanced flexibility and interactivity, as well as greater respondent involvement.
- It is currently the largest ongoing study conducted of American travelers, providing our clients with more reliable data and greater ability to home in on key market segments of interest.
- This report provides an overview for Caves, Lakes, & Corvettes's domestic tourism business in 2019.

Methodology

Each quarter, a random, projectable sample of adult members (18 years of age and over) of a major U.S. consumer panel is invited to participate in the **Longwoods Travel USA®** survey:

Selected to be representative of the U.S. adult population

For Caves, Lakes, & Corvettes, the following sample was achieved in 2018 & 2019:

Overnight Base Size

462

For analysis, data were weighted on key demographics to correct for any differences between the sample and U.S. population targets.
